

**PSQ TEMPLATE 3 - FOREIGN TRAVEL**

Report all non-official U.S. Government foreign travel since your **last completed investigation**. If itinerary included more than one foreign country, list all countries visited. Do not list travel under official U.S. Government business, but you must include any personal trips to other countries made in conjunction with the official U.S. Government travel. If you have lived near a border country and have made short (one day or less) trips to the neighboring country (e.g. Canada or Mexico), you do not need to list each trip. Instead, provide the time period, the code, the country, and a remark (e.g. "Many Short Trips").
